

LOOKING FOR A BRICK MATCH

1. Snap 2 photos of the brick you are trying to match: One close up photo (12 inches away) and One photo of the overall brickwork (6 feet away)
2. Send photos to your Consumers Concrete representative via email with the project address, quantity, dimensions, texture, and color.
3. Visit <http://consumersconcrete.com> for brick lines available under the Stone and Brick tab.
4. You will be contacted with the closest match, price, and lead time.
